

Progress of the operational consolidation of Tarjetas del Futuro

(BMV: GFNORTEO, OTCQX: GBOOY, Latibex: XNOR)

Grupo Financiero Banorte, S.A.B. de C.V. ("GFNorte") informs the investor community, further to the material event disclosed on December 17th, 2025, regarding the consummation of the acquisition of Tarjetas del Futuro, S.A.P.I. de C.V. ("TDF", hereinafter the "Transaction"), that, within the framework of such Transaction, yesterday the transfer of the entire portfolio of credit cards issued by TDF to Banco Mercantil del Norte, S.A., Institución de Banca Múltiple, Grupo Financiero Banorte ("Banco Banorte"), was consummated.

The acquisition of TDF, the transfer of the portfolio, and the assumption of the operation of these credit cards by Banco Banorte are part of an orderly, consistent, and transparent process. Consequently, Banco Banorte is, from that moment onward, the sole issuer of such credit cards, directly assuming their management and operation, as well as the corresponding contractual relationship with current and future cardholders. The credit card clients may continue using their cards as usual, without the issuance and management by Banco Banorte resulting in operational interruptions, service disruptions, significant changes in the user experience nor immediate modifications to the applicable commercial terms, without prejudice to any gradual adjustments that may, as applicable, be implemented in the future as part of the integration and operational alignment processes.

Finally, GFNorte informs that today, an Extraordinary General Shareholders' Meeting of TDF was held, during which, among other matters, the dissolution and liquidation were approved in accordance with the provisions of the General Corporate's Law (*Ley General de Sociedades Mercantiles*).

GFNorte reaffirms its commitment to international corporate governance best practices and information disclosure.
